Membership Appreciation Event

"Chocolate at the Addison" was a smashing and grand success with almost 70 people attending, a real thrill to be back at one of Andover's treasured amenities. Members and guests enjoyed the art, chocolate buffet, mingling, and the informative gallery talk by Julie Bernson, Curator of Education at the Addison Gallery.

The Addison's coordinator, Susannah Abbott (who was terrific to work with), was very appreciative that our event helped them achieve one of their goals, i.e., promoting public awareness and encouraging similar groups to use the gallery. We have since learned that the gallery has added a couple of new members as a result of the evening.

Many thanks to the committee who worked very hard to make this a memorable evening for everyone: Joan Duff, Maureen Sundberg, Molly Bicking, Amy Janovsky, Stefani Traina and Ann Cobleigh. And thank you to everyone who brought delicious desserts.

Andover Community Read-Along

The 17th annual Community Read-Along was once again a wonderful success.

This time-honored event is a highlight for students, teachers and readers in our elementary schools. Many thanks to Denise Boucher, Liz Elowe and Maureen Sundberg for coordinating the event for the League. The school coordinators are the ones who deserve much credit and thanks for the many hours spent lining up readers and taking care of every detail.

Andover Town Yard Info Session

Close to 30 people gathered at Memorial Hall library on December 7th to hear about the latest proposal for a new town yard. Town Yard Task Force chairman, Rick Feldman, presented the most recent information about the site at 5 Campanelli Drive. Ann Cobleigh served as the League moderator. The audience included town officials, League members, residents and others, and the many excellent questions made for a worthwhile and informative evening. You can watch it online [here](#). Future similar events are expected prior to the spring Town Meeting. Any questions or feedback would be welcomed.

LWVUS Legislative Priorities

Opportunity for Input to National LWV

In January, the LWVUS Board of Directors will be setting the League Legislative Priorities for the upcoming year. Setting these priorities for LWVUS action at the national level is an annual responsibility for the Board. Once again, the Board is soliciting suggestions for LWVUS advocacy priorities from members. If you are interested in making suggestions to the Board, please consider the goals and criteria as listed below. While the LWVUS has numerous positions under which we

might take action, the Board must prioritize and consider those issues where we might be able to make a difference.

According to the LWVUS Impact on Issues, the goals for setting priorities to guide the LWV advocacy work are to: (1) Enhance the League's effectiveness by concentrating resources on priority issues; (2) Build the League's credibility and visibility by projecting a focused and consistent image; (3) Ensure that the League has sufficient issue and political expertise to act knowledgeably; and (4) Enable the League to manage resources effectively.

In setting legislative priorities, the Board considers the following:

(1) Opportunities for the League to make an impact; (2) Program decisions made at Convention and/or Council; (3) Member interest; and (4) Resources available to manage effectively.

If you would like to make suggestions for LWVUS advocacy priorities, please email Advocacy Committee Chair Judy Duffy: jduffy1wv@aol.com. Please indicate whether the suggestions are from an individual member, a committee, board or membership meeting. Suggestions must be received by January 15.

Available Board Positions
